Legal Research (FREE!)

Fastcase puts the whole national law library on your desktop.

This exclusive member benefit includes free online access to the Arkansas law library, with Arkansas cases, statutes, regulations, court rules, and constitutions. The benefit includes all 50 states, as well as all federal caselaw.

We'll focus on your technology.

In these changing times, your technology investment needs to help you **respond** to your client's requests, **protect** you and your clients from the risks associated with technology and **save** you money. Some of our clients found that just the opposite was occurring because their technology team was using yesterday's technology. Mainstream can improve that situation by providing the right solutions for your problems.

Our team of experts understands how to:

- Leverage technology to support, simplify and protect your practice;
- Manage your technology infrastructure from backing up your information to hosting your critical technology assets;
- Free you to focus on your practice without worry for your technology investment.
